Guiding Question Worksheet Part 12

The word **guiding question** is used to describe a question that helps you think about a problem and find a solution. It is a question that you ask yourself before you start to solve a problem. It is a question that you ask yourself before you start to solve a problem.

Example: A boy has 10 apples. He gives 3 to his friend. How many apples does he have left?

Guiding question: How many apples does the boy have left after he gives 3 to his friend?

1. Read the problem.
2. Read the question.
3. Write the answer.
4. Check your work.
